To My Dear Friends at GDA:

I would like to share a very exciting New Year's present with you. Come July 1 I hope to retire after 43 great years at this Ancient Academy.

Arriving fresh out of college as a teenager (hard to believe), I have enjoyed many happy hours, days, weeks, years under four headmasters and four business managers. (No wonder I went gray! Ha! Ha!)

But now the time has come when I want to go on to other things--travel, read, have more time with my family and friends. I shall always be busy caring for my home, the good land, and all of God's creatures which I love so dearly. I will continue and no doubt increase my volunteer work and continue to sell you Christmas wreaths! I will just be doing all I love so much and for which I have had so little time. So 'tis time to graduate and commence anew. There is much to do.

Working at GDA has been happy and there will be sadness to leave this Academy which has been a second home. I have had many friends here and seen young boys become fathers and grandfathers and eighteen of them trustees. I have seen the Academy add nineteen new buildings and major construction to another six. Indeed there has been change in every aspect, and there will continue to be. GDA is a school rich in so many ways.

Deepest thanks to so many of you, past and present, for making my years here so pleasant.

God Bless,

January 1, 1986

DEDICATION

Long term commitment to one's job is not a common occurrence in these times. However, recent attention has been given to members of the faculty "Old Guard", a retired but very active group of men who collectively served the Academy so well during the years from 1930 to 1980. They were joined in 1943 by a local resident, a descendant of the original settlers of the Town of Newbury, a young woman whose impact on the school could hardly have been anticipated in time.

In the intervening years, she has been Secretary to the Business Manager and Assistant to the Business Manager. In deed, she has guided four Business Managers through the intricacies of the operation of this Academy. She knows more about our school than most and has given cheerfully to its success. She has had a sympathetic ear for the student whose trunk has not been delivered, and for the Newbury Historical Society, travel, long cars, and flowers has made this a more interesting place for all of us in which to learn, to work, and to live. As she starts her retirement, we wish her Bon Voyage. Our loss of a helpful friend will be a gain for the community in which she lives. She will now find more time to expand her interests in community service.

In dedicating the 1986 MILESTONE, we give our fondest regards and wish many years of happiness and future service to the town of Newbury to

*"It is
time

"You say he has 99th percentile scores, is a great hockey player, and is committed to GDA?"

COMMITMENT

*"The
future of
mankind lies
waiting for those
who will come
to understand
their lives and
take up their
responsibilities
to all
living things."*

MVP Derric Small, leader in title and in deed of the Varsity Basketball team.

Courtney Wang '74, (center, facing right), at the Dedication of the Wang - Goodhue Computer Center.

Discipline and commitment lead to understanding one's self.

I think I understand the meaning of service to the community. It's "work squad" for you.

"The final test of a leader is that he leaves behind him in other men the conviction and the will to carry on.

"The genius of a good leader is to leave behind him a situation which common sense, without the grace of genius, can deal with successfully."

Walter Lippmann

*"Leadership
is the spark
that can
ignite action,
release
each person's
unique
creative potential,
and
keep a group
moving
towards
it's goals."*

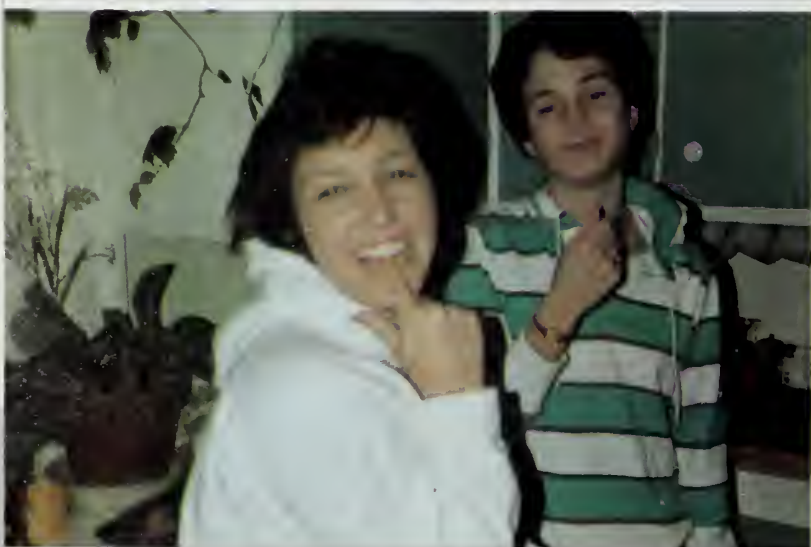

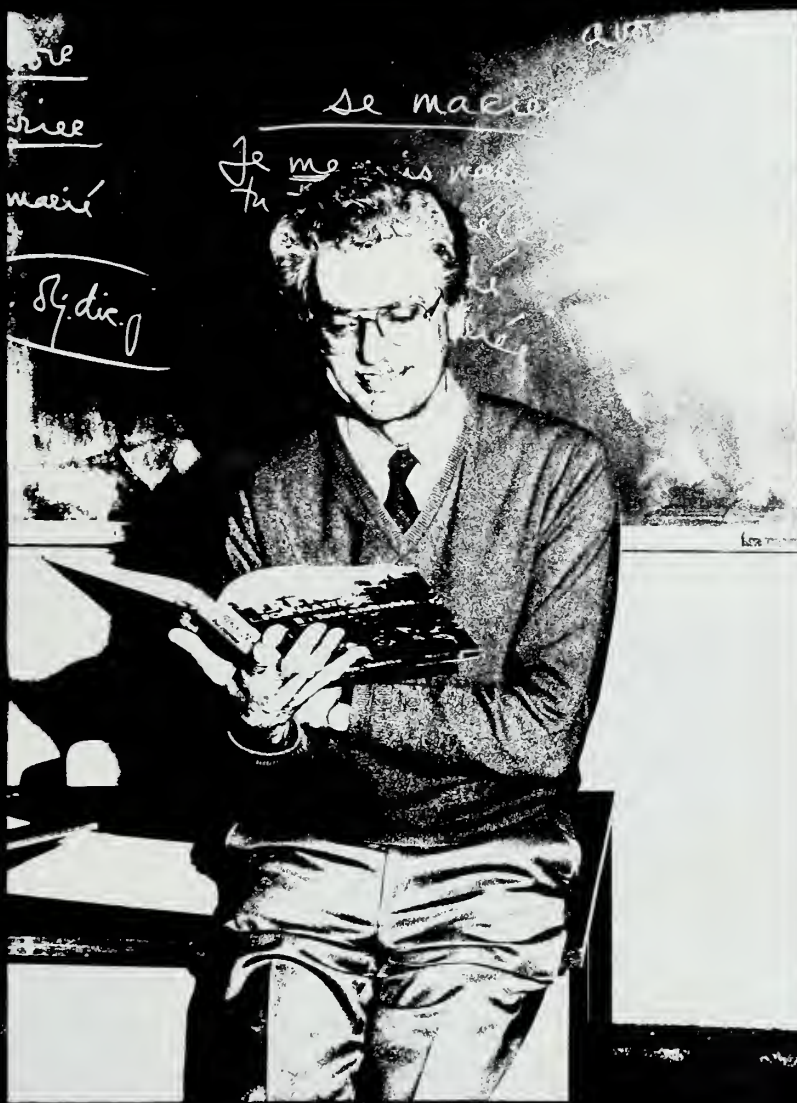

*"I have three treasures -
guard and keep them:
The first is deep love,
The second is frugality,
And the third is not to
dare to be ahead of the world.*

*Because of deep love,
one is courageous.
Because of frugality,
one is generous.
Because of not daring to be ahead
of the world,
one becomes the leader of
the world.*

JUNIORS

This is a year that all the Juniors will remember. It was an active year for everyone. If you weren't competing on the athletic field you were busy in the classroom competing for class rank. In extra-curricular activities the class spread themselves very thin. The Art Club was made up of primarily Juniors while the Milestone was headed by two Juniors.

The class was apart during the academic year, but we came together at the Jr. Class Ski Trip. It was highlighted by an outdoor heated swimming pool, luxurious condos, and twenty-six inches of snow which "unfortunately" left us stranded an extra night.

We returned to take the S.A.T. for the last time of the year. We then turned our energy toward colleges and the successful Jr. Class Carnival. Our hopes are high and we expect to travel very far.

This year's Cross Country teams were young, inexperienced, but contained valuable talent for years to follow. On the men's team there were ten new members all coming from last years JV team. On the girls side, Amy Russell, a freshman was the teams MVP.

Cabot Orton winning many races and the MVP was a top competitor, along with Josh, von Wentzel, Darryl, and the ever determined Mosa.

The teams close unity was helped by Friday night popcorn parties and frightening runs at both the Ingham and Amesbury Hills.

The highlight of both teams seasons was the girls first place finish in the Interscholastics.

Soccer is one of the earliest starting sports in the fall. Each fall the team is able to get a good look at themselves and can determine how good they will be in the season. This year the team got a good look at many talented players, both old and new. Veterans like Rob Studley, and Steve Breiseth were there to lead the five new students on the team to successful seasons.

The team's good fortune was a result hard work, strong goal tending, and experienced coaching.

Next year losing eight players and Coach Mulligan will be hard, but with good players coming up the team should be ready to play.

Strategy Session

Field Hockey

With only three returning players from last year's squad, the varsity field hockey team made up for their inexperience with enthusiasm and drive. Season highlights included a 1-0 victory over the always strong Nobles team and an exciting hard fought 2-1 loss to undefeated league champs Middlesex in the season's final game.

This year's varsity field hockey team was led by co-MVP's Melanie D'Orazio '86 and Amy Mack '87. D'Orazio turned away more than 100 shots as goalie and earned All-League honorable mention. Mack was a leader for the offense and received All-League All-Star recognition. Coach Mary-Ellen Letvinchuk said "the future looks bright for GDA field hockey, with all but three players expected to return next year."

Even though the football team didn't have a winning season this year, the team was still a success. We managed to shut out St. Mark's. This victory showed that we did have the spirit of a winning team in all of us. With a strong defense we held all the teams we played, for all they had. A strong offense was the decisive factor in our victory over St. Mark's.

This team had some very talented players in newcomers Todd Smith and Bill Dumoulin. Also there were the veterans Beau Jones, Paul Nardone, and Dave Moore.

Losing a lot of players next season doesn't mean that the team won't win. We still have a large number of young, strong underclassmen, who really know how to play the game. Although we are sad we have to say goodbye to the senior players, I think we will have a strong season next year.

Wallace with the pass.

Women's Soccer

The highlight of the women's varsity soccer season was a 1-0 win over archrival Brooks. Several team members received special recognition for their excellence. Paula McCarthy '87 was named All-League and Ann Taylor '87 received All-League honorable mention. Taylor was named to the Newburyport Daily News All-Star Team. Karen Tucker '86 received honorable mention to the same team.

The Season record of 5-7-2 did not accurately reflect the ability of a fine Team led by Co-captains Monique Proulx '86 and Melinda Stahl '86. Proulx, Stahl, Vanessa Hunt and Marie Sheffield were all returning four-year letterwomen. Seniors Margaret Asadoorian, Tracy Beckett, Kim Penachio and Nicole Truman added much to this years power.

Co-Captains elect, Anne Taylor and Paula McCarthy will need a strong team of many fine returning players, according to the coach Ken Casazza. Besides Taylor and McCarthy they include Rebecca Angell '88,

Pam Chase '87, Petica Barry '88, Johnna Boutin '87, Lisa DiIorio '87, Heather Moore '88, Nikki Reynolds '87, Alison Richard '87, Courtney Seed '89 and most improved player Lyndsay Rowan '87.

With only five returning varsity players, as well as a new coach, the beginning of the new season was filled with doubt. No one was expecting the team to live up to last years success. However, after the first few matches, the team seemed unbeatable, which later proved to be true.

Going into the season, we thought that we would have the most difficulties in trying to beat Milton, but B-B&N became our toughest opponent, as they were the only ones to whom we gave up two games.

The young team, led by captains Amy Hefford and Tracy Beckett, under the guidance of Coach Letvinchuck, went onto another undefeated season; as well as earning another I.S.L. Championship banner to hang in the gym.

All-League Goaltender Alex Moody

This year's hockey team not only threatened to win the league title, but had a good shot at winning the New England Prep School title as well. They had these things going for them entering the season: an experienced coach getting settled in for his second season at G.D.A., the loss of only four members from the previous year, and the presence of seven new players.

The highlight of the season was the Christmas Tournament held here at G.D.A. After defeating the reigning champions, Rivers School, early in the competition, they coasted on to victory.

One of our greatest assets was our depth. We had three solid lines for most of the season as well as a talented defense. Our highest scoring line consisted of three sophomores, Chris D'Orio and Dave Walor from last year, centered by rookie Dave Hanlon. These three all finished in the leagues top ten for scoring. D'Orio and Hanlon made the all league team. Four year veteran Rob Studley, Captain Chris Leclerc, and newcomer Dave Bonenko made up the first line. The third line was made of two strong and experienced sophomores on the wings, Andy Noel and Matt Caron, with Jon Fosdick, a three year veteran junior centering.

The team's defensive core was anchored by junior Todd Crabtree, an all league selection and voted Captain for next season; Senior Justin Feingold, a second year starter; two sophomore rookies Derek Sullivan and Wayne Belleau. Al Moody had some big shoes to fill, but performed above our expectations finishing as one of the top two goalies in the league.

Andrew Rockwell, Jim Andriotakis, Bill Bronson, and Mosa Kaleel added depth and support making the team work and win.

People told me from the start, "You're going to hate managing, Monique. The players make you slave for them and then they treat you badly." They were wrong.

The starting five were listed the same in the book every game: Small, Nardone, Rodgers, Foster, and Moore. These five dominated the floor. Co-Captain Derric Small, with his quickness and agility would run up the score while leaving the defense in the dust. Paul Nardone, our other Captain, kept the court organized when on defense. Mike Rodgers, scored consistently with determination and hard work. Bob Foster boxed out aggressively. Dave Moore, our six foot eight center, pulled down many rebounds.

The talent does not stop with the starting five. Troy Eskridge, a freshman, has the potential to be the star of the court. John Huard made many important steals. John Kantzian impressed the crowd with his graceful dunks. Steve Breiseth, Greg Heath, and Ben Williams were always working in practice and gave 150% when put in the game.

The second year of the G.D.A. women's ice hockey team was very successful as well as an improvement from the first. Even with the loss of key players, the season proved to be a great accomplishment. Many spectators didn't expect much from the "new" team on campus. But with the determination of Coach Bromley and hard-working players, the team's record leaped from 1-5-0 to a strong 6-4-0, establishing the team as one to be reckoned with.

The start of the season was very strong with impressive wins against Boston Latin and Lawrence, 8-1 & 12-2. Losses followed but to older and more experienced teams. Many teams the women lost to their first year, were beaten and surprised by the Governors' improvement. Much of this credit goes to the team's only goalie, Shawn Gager. With helpful hints from Tom Von Jess, she kept many important scores low.

This team will definitely miss seniors, Melanie D'Orazio (captain - '85&'86), Kelly Papin, Sandy Nichols, and Niki Truman. But with Lyndsay Rowan, as new co-captain with Amy Mack, eager jayvee and varsity players, and Coach Bromley, the team should prove to be even stronger and more successful.

Next year's co-captain Lyndsay Rowan faces off against arch-rival Brooks while Paula McCarthy (#15) stands ready.

This, the first year of the women's jayvee hockey team, was a year of great learning. The team, which started out with no idea how to play, quickly learned the basic skills thanks to Mr. Seufert and Mrs. Bromley.

Though the team had only one game against Exeter, the girls practiced with a lot of spirit, which allowed them to improve so much. Two of the girls, Heidi Danielson and Kristin Casazza, became varsity players halfway through the season. The rest of the girls will surely help the varsity team in the near future.

DEFENSE!!

This year's women's basketball team was not as successful as teams have been in recent years, but the season did highlight much individual talent. Ms. Johnston, the new coach, brought new plays and encouraged strong conditioning to help the team progress.

Returning players included senior tri-captains Alex Marculewicz, leading rebounder and high scorer, Karen Tucker, a strong defensive player, and very aggressive Sue Gage. Forward Pam Chase and guards Karen Patton and Anne Weitzman were also returning players. New to the team were Jahnna Boutin, Julie Donat, Lisa Randolph, Jill Packard, and Anne Cole.

Fortunately, there will be eight returning players and a returning coach for next season. Unfortunately, those three lost were strong offensive and defensive players. The team is looking forward to a healthy season next year - no injuries or sickness where they can really play to their potential. They will indeed miss the skill and support of those leaving.

Front Row: M. Childs, L. Hernandez, C. Draper, R. Glanzberg, C. MacLachlan, Second Row: Mgr. D. Solomon, J. Morss, L. Torosian, J. Reynolds, J. Cowles, L. Jellinek, Coach Martin.

What do you think, Coach Scheidegger?

Wrestling is an individual as well as a team sport. Many wrestlers feel as though they do it only for themselves, and they cannot be blamed. They have personal goals as motivations, and on the mat they are one-on-one with their opponents. Wrestlers go through a lot of pain and endurance in preparing for a match. They must also battle their weight as well as their fear and anticipation.

The mental stress plays a large role in the outcome of a match. Psyching out the opponent may make or break a match. The wrestlers must also rely on learned techniques to be a winner.

This year, Mr. Scheidegger stepped in as the new head coach and quickly whipped the team into shape with his vigorous workouts and iron hand. The results payed off at the Christmas Tournament where senior Todd Smith won the 177 pound title, and juniors Tim Carmichael (115) and captain Greg Waldman (145) took seconds. After Christmas break there was more hard work, relieved though by captain Greg Waldman's constant jokes, and at the Graves-Kelsey Tournament, Waldman won the 145 pound championship against an undefeated, Milton senior. This Tournament was also highlighted by a second place from Jon Morriseau (119), and fourths from Reggie Edmonds (100), Todd Smith (177) and Tim Carmichael.

A week after the Graves, several members of the team travelled to MIT for the New-Englands, where once again Greg Waldman was champion (145), as well as Todd Smith (177). Reggie Edmonds (98) and Tim Carmichael (110) took fourths.

During Spring Break, Mr. Scheidegger took next year's co-captains Greg Waldman (145) and Tim Carmichael (110) to Lehigh University for the National Prep. School Wrestling Tournament. Facing the best competition either of them had ever seen, they both wrestled well, with captain Greg Waldman even getting to within one match of placing.

The Nordic Ski Team may have lacked the Norwegian Ski Training that Belmont Hill enjoyed, but they learned through determination. Again and again they flung themselves into the canyons of Concord in spite of ice, mud, and pinecone patches. Ask one of them what the words "Lawrence Orchard" means to them and you will see determination in their eyes. On the lighter side, the team ran Golf-course hills, did Mr. Werst's fitness tests, and played the infamous Spudball game.

On this young and inexperienced team there were two standouts. Cabot Orton, by far our most advanced skier, regularly placed in the top third of ISSA competition and earned his MVP the old-fashioned way: excellence. Our biggest future prospect, Amy Russell, went through incredible progress through the season to beat a top skier (Anne Kugler, Groton) and to earn her most improved player cup.

The team was characterized by good spirit and the good leadership of captain John v. Wentzel (men's) and Jen Griffin (women's). What the team desperately needed was snow training. Rumors of Mr. White trying to accelerate the next ice age are false, but he now does hold vital snow-course data. With more snow training and the possibility of most skiers returning, the Nordic Ski Team should prosper next year.

Cabot and John celebrated the remaining snow

GOVERNORS' DODGE MORGAN AMERICAN PROMISE

Waving to the school.

Gift to Dodge Morgan from the Brag-dons and G.D.A.

Every once in a while there will come a person that makes the impossible possible. This kind of person represents us all and lifts us up from the ordinary. Without people like this achieving incredible goals, our lives would have no meaning. These people need us to drive them but most important, we need them to drive us. Fortunately Dodge Morgan is this special person for all us here at G.D.A..

Dodge Morgan had it made for himself. He has a lovely wife and two great children, and was also the president of a big company. One might say what else could a man want. However Dodge Morgan showed us that life is more than wealth and fame. Maybe circumnavigating the globe is not something for us, but it was something very important for Dodge Morgan. He showed us that we must live life and not just sit back and watch it go by. Kazantzakis' Zorba said, "Life is full of troubles, only death is not. We must undo our belts and look for trouble."

So that is what Dodge Morgan did. He put on his bow-tie and his tuxedo and sailed off in his American Dream. Dodge found his dream and on May 1st, in Portland Maine, he brought it back to us.

"Without change, something inside of us sleeps. The sleeper must awaken!" Thank you Dodge Morgan for waking us up!

Amy Russell with another win!

The 1986 Women's Varsity Track team accomplished more than they or any one thought they would. With only twelve people running and throwing in regular season meets, the girls came out on top with only two losses. The teams they lost to were much larger and in different leagues but the girls did well despite their disadvantage. Going up against teams with twenty or more girls, the meager squad ended with many amazing victories and excellent performance.

Co-captain and MVP Debbie Waters clinched many victories for the team as she performed in four to five events per meet.

Sue Gage, Anne Taylor, Karen Kagan, and Margaret Asadoorian together made the weight crew strong this year. In the high jump, Pam Chase put in some very strong performances. Lyndsay Rowan, Lisa Hernandez and Amy Mack scored many points for the sprint team, and Amy M. in both hurdle events. The I.S.L. winning team D. Waters, L. Rowan, A. Russo, and L. Hernandez brought home a new school record, in the 4 by 400M relay.

Despite their small number, the team received, for the fourth year in a row, the New England Prep School Championship Title. This in itself proved that nothing is impossible.

MEN'S TRACK

ONLY FOUR SENIORS

The Track Team as usual had a large group since there isn't a JV team as in other team sports. With Co-captains Dave Moore and Pat McCullom, along with Tom Wallace and Mark Thomson were the only seniors the team had. These four accounted for a lot of the weight crew's many points as well as good scoring in the sprinting events. Many members developed into great competitors like Dave Miller who won just about every race he ran, gaining sometimes 15 or 20 points for the team. Also were Dave Dunwell, the fastest on the team, Troy Eskridge who excelled in the high jump, Bob Foster hurling the discus, and Jon Fosdick winning points in the Pole Vault before having to leave the team for the season.

The team's greatest victory this year was over St. Paul's. Coach Rybicki was keeping a close eye on all the events, keeping a count of all the points needed and in which events we could win. St. Paul's has a great relay team so we were counting on Dave Miller and Cabot Orton to capture first and third in the 2000m, which they were able to do and gave us the edge to win by one point, 73 to 72.

Next year should prove to be a good one even with the loss of four talented seniors. Since the team has a very large long distance group already, the sprint and jump people may get some help from new members in the following season.

Front Row: G. Waldman, T. Smith, B. Jones, R. DeLena, J. Huard, A. Eaton, J. Ashworth, Second Row: Coach Metz, Mgr. J. Todd, R. Morse, R. Wattie, M. Hart, J. Khantzian, A. Noel, B. Dumoulin, Mgr. D. Stram, and Coach Moonves.

This year's baseball team with a record of ten and five, was one of the most successful teams in the spring sports at GDA. When looking at this team it is easy to understand why they were so good.

The excellent pitching of John Huard was a large part in the team's play. Veterans like Beau Jones, Rob DeLena, and Greg Waldman, provided power and ability for the team to learn from. New players helped the team tremendously. Smith, Dumoulin, Noel, Hart, and freshman Rob Wattie all played and contributed. Eaton in right, Khantzian hitting homers, Morse filling in, and Ashworth playing well the team found it hard to lose.

The upcoming year looks bright with many of the good players returning.

Men's tennis was plagued with many loses, this year with new talented players and improved older ones, the team made an amazing recovery. Contrary to previous seasons' performances, this years club was able to steal a few more victories. This lifted the spirits of the coach and all the players.

Maybe it was the new uniforms or the new leadership of the young captain? Who knows? What ever it was, this strange magic helped the team to defeat such opponents like Rivers. St. Marks, Lawrence, and St. Sebastian's. Whether they won or lost, this team had a fun time. Thats all that matters. This is why this years men's tennis team had a great season.

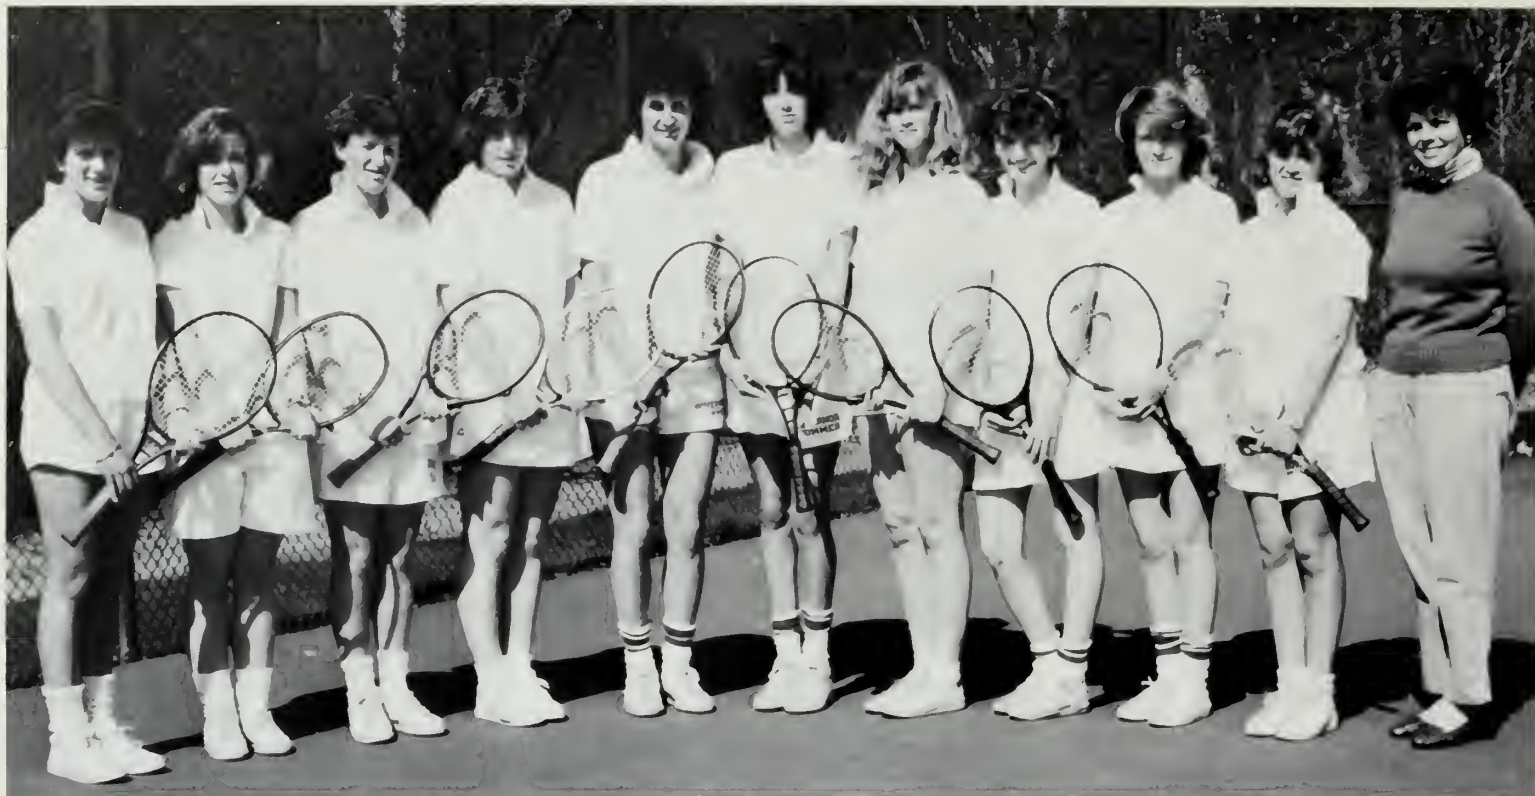

Four members of the JV Team; Y. Shin, M. Fluke, M. Downing, H. Shin and Coach Corcoran.

Womens tennis had a smashing season! Well maybe not that good, but almost. This team graciously enjoyed all the aspects of both winning and losing. With the prayers of Ms. Dawson, they were able to conquer such teams as Pingree, Lawrence, and over JV, and the much despised rival Brooks.

To sum it all up, this team was composed of a fine group of young ladies that enjoyed the sport and played to have fun and if possible, win!

LACROSSE

MEN'S

Co-MVP's Rob Studley and Tom vonJess.

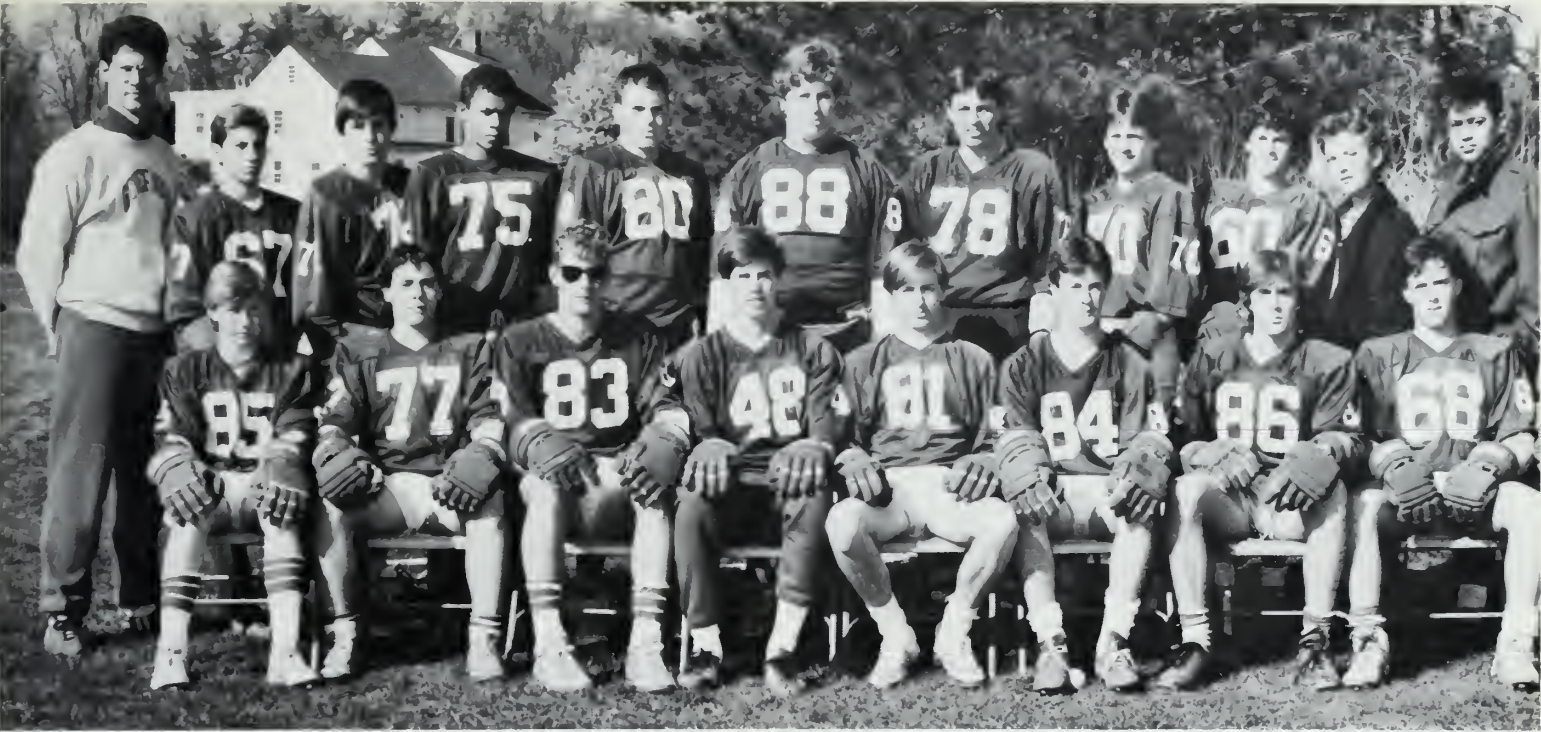

Men's Varsity Lacrosse had one of those learning seasons. There were many new faces as well as a few returning veterans. Trying to put things together was an arduous task. However returners such as Mike Mallamud and rookies like Alex Moody had the great coaching expertise of Mr. Shea and Mr. Anderson to guide them along.

Even though the team did not claim many victories, they earned the respect of such clubs like Rivers, Proctor, and even the Alumni.

Well this years men's lacrosse was not a John Hopkins, or a Syracuse, but it improved a whole lot and had a fun time doing it.

This years Women's Lacrosse team had a disappointing season. Their season's zenith came when they mauled Lawrence 17-7. They also had many spiritual victories against Exeter and St. Mark's. During defeat leadership was provided by Melanie, Sandy, Monique, and Vicky. The overwhelming presence of sophomores allows the team to look to a future of success. With six members returning for their senior year the team looks especially promising for future victories. Paula McCarthy's outstanding performances earned her All-League recognition. They should be a very solid varsity team.

MILESTONE

DLM and Nikki spent a lot of time planning her section.

The 1986 MILESTONE unfortunately is another GDA yearbook which is late. This did not discourage the people who gave their time and experience to complete the book. No short cuts were taken by the dedicated few who produced this quality book.

The MILESTONE like any other yearbook takes time and hard work. As in past books, many of the MILESTONE members were not ready to give the time needed. This left the Editors the job of finding new people and doing more work than they could handle.

Now the MILESTONE is done, and we all hope that you enjoy it!
